EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are emergency regulations made by the Civil Contingencies Authority under Part 3 of the Civil Contingencies (Bailiwick of Guernsey) Law, 2012 ("the Law"). They are made on the occurrence of an emergency, within the meaning of the Law, in the Bailiwick, arising from the urgent need to prevent the spread of the virus Severe Acute Respiratory Syndrome Coronavirus (SARS-CoV-2) and the disease caused thereby, COVID-19 (referred to together in these regulations as coronavirus). They are prefaced with a statement by the Civil Contingencies Authority, as required by section 12(2) of the Law. They enable the Medical Officer of Health to place restrictions and requirements on persons who are or who may be infected with coronavirus, and related matters. They are adapted from regulations applicable in England made under Part IIA of the Public Health (Control of Disease) Act 1984. COVID-19 was made a notifiable disease for the purposes of the Public Health Ordinance, 1936 on 19th February 2020.

These Regulations will come into force on the day they are made, 18th March 2020.
